	required by legal provisions which impose specific obligations, the fulfilment of which requires the processing of personal data	point d.
	until an objection is raised against the processing of personal data for marketing purposes	point e.
Profiling	Personal data will not be subject to profiling, including automated decision-making, within the meaning of the GDPR.	
Data transfer outside the EEA	In accordance with legal requirements, we inform you that, due to the need to ensure the highest possible level of IT services, including the security of personal data, IT service providers outside the European Economic Area (‘EEA’) may have access to personal data. The level of personal data protection outside the EEA differs from that provided by European law. For this reason, the Controller ensures that the aforementioned IT service providers have access to personal data only to the extent necessary for them to perform their services (including maintenance services) and with an adequate level of protection, primarily through: a) cooperation with entities from countries for which the European Commission has issued a decision confirming an adequate level of protection for personal data; b) the use of standard contractual clauses issued by the European Commission. In the above-mentioned case, you have the right to obtain a copy of information regarding the security measures in place by contacting the Data Protection Officer.	
Requirement to provide personal data	The provision of personal data necessary for the conclusion of a contract is a condition for its conclusion; in all other respects, it is voluntary.	
Rights of data subjects	You have the right to access your data and to request its rectification, erasure, restriction of processing, and the right to data portability.	Requests to exercise all rights may be submitted to the Data Protection Officer’s postal address or to the email address: iod@maspex.com . You have the right to lodge a complaint regarding the processing of personal data with the supervisory authority, which in Poland is the President of the Personal Data Protection Office.
	You have the right to object to the processing of data on the basis of the legitimate interest of the Controller and/or a company within the Controller’s group for reasons relating to your particular situation.	
	If the purpose of processing personal data is to market products from the Controller’s range, you may, at any time, object to the processing of personal data for such marketing purposes.

Tender Regulations for the selection of the Contractor for the contract entitled “Supply of raw materials for the purposes of R&D work” under project NUTRITECH1/0038/2022 “Development of innovative vegan instant products using alternative emulsifiers, including vegetable proteins, enriched with a starch fiber preparation with prebiotic properties”.

**RULES OF THE TENDER PROCEDURE
FOR THE SELECTION OF A CONTRACTOR TO CARRY OUT THE TASK ENTITLED
“Supply of raw materials for the purposes of R&D work”**

**SECTION I.
GENERAL SECTION**

§ 1

These Rules set out the procedures for the tender process to select a contractor for the project entitled “Supply of raw materials for R&D work”.

§ 2

1. In announcing the tender procedure to select a contractor for the project entitled “Supply of raw materials for R&D work”, the contracting authority is not required to apply the Public Procurement Law of 11 September 2019 (i.e. Journal of Laws of 2024, item 1320).
2. The procedure is conducted as a request for quotation in accordance with the rules and conditions set out in the Regulations.
3. Whenever the provisions of the Regulations refer to:
 - a) “the Contracting Authority” – this shall be understood to mean **Maspex Food Sp. z o.o., 10 Chopina Street, 34-100 Wadowice**, represented in accordance with the applicable regulations;
 - b) “Committee” – this shall be understood to mean the Committee appointed in accordance with the provisions of the Regulations;
 - c) “**Project**” – this shall be understood to mean the implementation of the task entitled “Supply of raw materials for the purposes of R&D work”;
 - d) “Tender” – this shall be understood to mean a tender, including the price and other requirements, submitted by the Contractor in response to a Request for Tenders;
 - e) “Contractor” – this refers to the entity which is applying for the contract, has submitted a bid, or has entered into a contract for the procurement;
 - f) “Rules” – this refers to these Rules of the Tender Procedure;
 - g) “**Procedure**” – this shall be understood to mean the procedure conducted by way of a Request for Quotations, the purpose of which is to select the most advantageous bid for the implementation of the Investment;
 - h) “**Announcement**” – this shall be understood to mean the announcement of the conduct of the Procedure.

§ 3

The Procedure shall be conducted in accordance with the following principles and rules of conduct:

1. **Equal treatment of Contractors**, which means that all Contractors have equal access to information regarding the contract in question and no Contractor may be given preferential treatment over another.

2. **The principle of transparency**, which means that the Procedure is conducted in a manner that is transparent to Contractors.
3. **Fair competition**, which means that the conditions for participation in the procurement procedure are defined in a manner proportionate to and related to the subject matter of the contract, and may not unjustifiably restrict competition by setting requirements exceeding the needs necessary to achieve the project's objectives and leading to discrimination against Contractors.
4. **Efficiency**, understood as the purposeful and economical use of funds.

SECTION II. DESCRIPTION OF THE TENDER PROCEDURE

§ 4

1. The procedure is initiated by publishing a Notice and/or a request for quotation on the Contracting Authority's website at <https://maspex.com/o-firmie/zapytania-ofertowe?page=3> and at the Contracting Authority's premises.
2. In the event of a change to the content of the Notice or the request for quotations, the Contracting Authority shall extend the deadline for the submission of tenders by the time necessary to incorporate the changes into the tenders, if necessary, in particular if the change concerns the definition of the subject matter of the contract, the size or scope of the contract, the criteria for the evaluation of tenders, or the conditions for participation in the procedure. The Contracting Authority shall include information regarding the amendment in the Notice and the request for proposals published in accordance with point 1 above. This information shall include at least: the date of publication of the amended Notice and request for proposals, as well as a description of the amendments made.

§ 5

1. The following shall be excluded from the procedure:
 - a) A contractor who has not demonstrated compliance with the conditions for participation in the procedure or has not demonstrated the absence of grounds for exclusion;
 - b) A Contractor personally or financially linked to the Contracting Authority within the meaning specified in the Notice;
 - c) A Contractor who is a natural person and has been convicted of an offence:
 - I. referred to in Article 165a, Articles 181–188, Article 189a, Articles 218–221, Articles 228–230a, Article 250a, Article 258 or Articles 270–309 of the Act of 6 June 1997 – the Criminal Code (Journal of Laws of 2021, item 2345, as amended9)) or Articles 46–48 of the Act of 25 June 2010 on Sport (Journal of Laws of 2020, item 1133) or Article 54(1) to (4) of the Act of 12 May 2011 on the reimbursement of medicines, foodstuffs for special nutritional purposes and medical devices (Journal of Laws of 2022, item 463)
 - II. of a terrorist nature, as referred to in Article 115 § 20 of the Act of 6 June 1997 – the Criminal Code,
 - III. tax offences,
 - IV. referred to in Article 9 or Article 10 of the Act of 15 June 2012 on the consequences of entrusting work to foreign nationals residing unlawfully in the territory of the Republic of Poland (Journal of Laws of 2021, item 1745, as amended);
 - d) A contractor where a sitting member of its management or supervisory body, a partner in a general partnership or professional partnership, or a general partner in a limited partnership or a limited joint-stock

- partnership, or a proxy, has been convicted by a final judgment of an offence referred to in point (c) above;
- e) A contractor against whom a final court judgment or final administrative decision has been issued concerning arrears in the payment of taxes, fees or social security or health insurance contributions, unless the contractor has paid the taxes, fees or social security or health insurance contributions, together with interest or fines, or has entered into a binding agreement regarding the repayment of such amounts;
 - f) A contractor who, as a result of deliberate action or gross negligence, has misled the Contracting Authority by providing information that they are not subject to exclusion, meet the conditions for participation in the procedure or the selection criteria, or who has concealed such information or is unable to provide the required documents;
 - g) A contractor who, as a result of recklessness or negligence, has provided information misleading the Contracting Authority, which may have a significant impact on the decisions taken by the Contracting Authority in the procurement procedure;
 - h) A contractor who has unlawfully influenced or attempted to influence the Contracting Authority's actions or to obtain confidential information that could give them an advantage in the procurement procedure;
 - i) A contractor who has participated in the preparation of the procurement procedure or whose employee, as well as a person performing work under a contract of mandate, under a contract for specific work, an agency contract or any other service contract, has participated in the preparation of such a procedure, unless the resulting distortion of competition can be eliminated by means other than excluding the Contractor from participation in the procedure;
 - j) A Contractor who has entered into an agreement with other contractors aimed at distorting competition between contractors in the procurement procedure, which the contracting authority is able to demonstrate by means of appropriate evidence;
 - k) A contractor that is a collective entity against which a court has issued a ban on tendering for public contracts pursuant to the Act of 28 October 2002 on the liability of collective entities for acts prohibited under penalty of law (Journal of Laws of 2020, item 358, as amended);
 - l) A contractor against whom a prohibition on tendering for public contracts has been imposed as a precautionary measure;
 - m) A Contractor in respect of whom liquidation proceedings have been opened, where a court-approved arrangement in restructuring proceedings provides for the satisfaction of creditors through the liquidation of its assets, or where the court has ordered the liquidation of its assets pursuant to Article 332(1) of the Act of 15 May 2015 – the Restructuring Law or whose bankruptcy has been declared, with the exception of a Contractor who, following the declaration of bankruptcy, has entered into an arrangement approved by a final court order, provided that the arrangement does not provide for the satisfaction of creditors through the liquidation of the bankrupt's assets, unless the court has ordered the liquidation of its assets pursuant to Article 366(1) of the Act of 28 February 2003 – Bankruptcy Law;
 - n) Pursuant to Article 7 of the Act of 13 April 2022 on special measures to counteract support for aggression against Ukraine and to safeguard national security (Journal of Laws of 2022, item 835), the following are excluded from the proceedings:
 - i. A contractor or tenderer listed in the registers specified in Regulation 765/2006 and Regulation 269/2014, or entered on the list pursuant to a decision on inclusion on the list determining the application of a measure in the form of exclusion from public procurement procedures;

- II. A contractor or tenderer whose beneficial owner, within the meaning of the Act of 1 March 2018 on countering money laundering and terrorist financing is a person listed in the lists specified in Regulation 765/2006 and Regulation 269/2014, or who has been included on the list or has been such a beneficial owner since 24 February 2022, provided that they have been included on the list pursuant to a decision on inclusion on the list determining the application of the measure of exclusion from public procurement procedures;
 - III. A contractor or tenderer whose parent undertaking, within the meaning of Article 3(1)(37) of the Accounting Act of 29 September 1994, on accounting is an entity listed in the registers specified in Regulation 765/2006 and Regulation 269/2014, or is entered on the list or has been such a parent undertaking since 24 February 2022, provided that it has been included on the list pursuant to a decision on inclusion on the list determining the application of a measure in the form of exclusion from public procurement procedures.
2. The contracting authority may specify conditions for participation in the procedure concerning, inter alia:
 - a) possession of authorisations to carry out specific activities or operations, where the law imposes an obligation to hold such authorisations;
 - b) possession of the necessary knowledge and experience;
 - c) possession of adequate technical capacity;
 - d) possession of adequate human resources;
 - e) economic and/or financial standing.
 3. The tender of an excluded tenderer shall be deemed rejected.

§ 6

1. During the Procedure, the Contracting Authority may request Contractors to submit statements or documents necessary for the conduct of the Procedure.
2. The Contracting Authority may require the Contractor to provide relevant statements or documents confirming that the Contractor meets the conditions for participation in the Procedure or is not subject to exclusion.
3. The Contracting Authority may request, within a time limit set by it, the submission of clarifications regarding the statements or documents required in the Procedure.
4. The Contracting Authority may request Contractors who have not submitted the statements or documents required by the Contracting Authority within the specified time limit, or who have not submitted powers of attorney, or who have submitted the required statements and documents containing errors, or who have submitted defective powers of attorney, to submit them within a specified time limit, unless the tender is to be rejected, the Tender Procedure is to be cancelled, or the tender contains a price exceeding the amount the Contracting Authority may allocate for the performance of the contract.
5. The Contractor shall submit statements or documents in the form of originals or copies. In the case of documents submitted by email, it is permissible to send scanned copies of the documents.
6. The Contracting Authority reserves the right to request that the Contractor submit original documents or certified copies thereof prior to the signing of the contract.
7. The authorisation of the persons signing the tender, statements or documents to do so must be directly evident from the documents attached to the tender. This means that if such authorisation is not explicitly evident from the document confirming the Contractor's legal status (an extract from the relevant register), the tender must be accompanied by a power of attorney issued by the persons authorised to do so.
8. Documents drawn up in a foreign language must be submitted together with a certified translation into Polish.

§ 7

1. The Contractor may submit only one tender in the Procedure.
2. Before the deadline for submission of tenders, the Contractor may amend or withdraw the tender.
3. The Contracting Authority may not examine the content of tenders before the deadline for their opening.
4. The opening of tenders is public and takes place at the location specified in the Notice/Request for Tenders.
5. During the opening of tenders, the names (company names) and addresses of the Contractors are announced, as well as information regarding the price.
6. Bids submitted after the deadline shall not be evaluated.

§ 8

1. The Contracting Authority may correct obvious clerical errors and calculation errors in the price within the text of the tender, provided that the amendment has been agreed with the Contractor.
2. The contracting authority shall reject a tender if:
 - a) its content does not correspond to the content of the Notice or the invitation to tender;
 - b) its submission constitutes an act of unfair competition within the meaning of the provisions on combating unfair competition;
 - c) it contains a price that the Contracting Authority cannot pay;
 - d) it is invalid under separate provisions.

§ 9

1. During the course of the Procedure, statements, requests, notifications and information shall be provided by the Contracting Authority and the Contractor, at the Contracting Authority's discretion, in the manner specified in the Notice and in the request for quotation addressed to the Contractor: in writing or by electronic means.
2. If the Contracting Authority or the Contractor submits statements, requests, notifications or information electronically, each party shall, upon the other's request, immediately confirm receipt thereof.

§ 10

1. The Contracting Authority shall select the most advantageous tender from among the tenders submitted by Contractors who are not subject to exclusion on the basis of the evaluation criteria set out in the request for quotation.
2. In the event of additional questions or doubts regarding the tenders, the Contracting Authority may address additional queries to all or selected Contractors in order to clarify the tender or request an explanation of its content.
3. The selection of the tender shall be documented in the minutes of the procurement procedure drawn up by the Committee.

§ 11

Information on the outcome of the procedure shall be made public in the same manner as the Notice and/or Request for Proposals was made public, i.e. by publishing this information as described in § 4(1) of the Regulations.

§ 12

1. Following the completion of the Procedure, a contract shall be signed with the Contractor who submitted the most advantageous tender.
2. In the event that the Contractor withdraws from signing the contract with the Contracting Authority, it is possible to sign a contract with the next Contractor who obtained the next highest number of points in the Procedure.

§ 13

The conclusion of the contract with the Contractor and the drawing up of the minutes of the procurement procedure shall be in writing.

§ 14

1. The minutes of the procurement procedure shall contain at least:
 - a) the name of the Contracting Authority,
 - b) a description of the subject matter of the contract,
 - c) information on the procurement procedure,
 - d) information on the method of publishing the request for proposals,
 - e) a list of all tenders received by the Contracting Authority in response to the invitation to tender, together with the date of receipt of the tender by the Contracting Authority (in particular the name and surname or company name of the contractor, its registered office and the price),
 - f) information on the Contractors' compliance with the condition regarding the prohibition on awarding contracts to affiliated entities,
 - g) information on the Contractors' compliance with the conditions for participation in the Procedure,
 - h) information on the point and percentage weights assigned to individual evaluation criteria and the method of awarding points to individual Contractors for meeting a given criterion,
 - i) an indication of the selected tender, together with the reasons for the selection or the reasons why the Contracting Authority has decided not to award the contract,
 - j) the date of the minutes and the Contracting Authority's signature,
2. The Tenders and other documentation relating to the Procedure constitute Annexes to the Minutes.

SECTION III.

The Committee

§ 15

1. The Contracting Authority shall appoint a Committee for the purpose of preparing or conducting the Tender Procedure.
2. The Committee shall consist of at least three persons.
3. The Commission's tasks shall include assessing whether Contractors meet the conditions for participation in the procedure or whether there are grounds for exclusion, as well as examining and evaluating the tenders submitted and selecting the most advantageous tender.

4. The Committee shall carry out the activities specified in point 3 above in closed-door meetings.

SECTION IV. FINAL PROVISIONS

§ 16

1. From the moment the conditions for participation in the Procedure are made available, the Contracting Authority, and from the moment a tender is submitted in accordance with the Notice or the request for tenders addressed to Contractors, the Contractor, are obliged to act in accordance with the Rules.
2. The Contracting Authority may cancel the Notice without giving a reason and, in justified circumstances, may cancel the Procedure.
3. The Contracting Authority shall simultaneously notify all Contractors of the cancellation or closure of the Tender Procedure, additionally publishing information to this effect on the website on which the Notice and/or request for proposals was published.
4. In the event of the cancellation of the notice or the annulment of the Procedure, Contractors shall not be entitled to a refund of the costs of participating in the Procedure.
5. The Contracting Authority may entrust the preparation or conduct of the Tender Procedure to a third party.
6. In matters not covered by these Rules, the provisions of the Act of 23 April 1964 – Civil Code (i.e. Journal of Laws 2020, item 1740, as amended) shall apply to the actions taken by the Contracting Authority and Contractors in the procurement procedure.
7. Any disputes arising from the implementation of the provisions of these Regulations shall be submitted for resolution to the ordinary court having jurisdiction over the Ordering Party's registered office.
