The tender form, declarations and correspondence between the Parties to the proceedings should be submitted/conducted in Polish or English.</p>
<p>VI. Description of the subject of the contract</p>	<p>The subject of the contract is the supply of raw materials for the purposes of carrying out R&D work:</p> <p>Part I. Glucose syrup</p> <p>Technical specifications (minimum requirements and parameters):</p> <ul style="list-style-type: none"> Appearance: Syrupy liquid Colour: Colourless to yellowish Smell: Characteristic for the used raw material Taste: characteristic for the used raw material, without foreign after-tastes Dry mass content: 77–79,5% pH (50% w/w): 3,5–5,5 Density (20 °C): 1,39 – 1,5 g/ml Dextrose equivalent (DE): 27 – 34 DE

	<ul style="list-style-type: none"> • Glucose content: < 5% • Fructose content: < 1% • Content of sugars (mono- and disaccharides) for: <ul style="list-style-type: none"> - Glucose syrup: 9,5 – 14,5 % - Dry mass: 12,3 – 18,4 % • Sulphur dioxide content: < 10 mg/kg • Total plate count: ≤ 1000 jtk (cfu)/g • Salmonella: absent • Escherichia coli: absent • Coliform bacteria: ≤ 10 (cfu)/g • Yeasts: ≤ 100 (cfu)/g • Moulds: ≤ 100 (cfu)/g <p>Quantity: 75,000 kg (+/- 100 kg)</p> <p>Part II. Coconut oil Technical specifications (minimum requirements and parameters):</p> <ul style="list-style-type: none"> • refined • non-hydrogenated • Colour of solidified fat: White light-cream • Odour and taste: Bland • Water and volatile compounds content: < 0.1% • Peroxide value at loading: ≤0,5 meq O₂/kg • Free fatty acids, as lauric acid: ≤ 0,1% • Content of saturates fats: 78,4–95% • Content of trans fatty acids: ≤ 1 % • Colour: Lovibond <ul style="list-style-type: none"> - Red: ≤ 1,5 - Yellow: ≤ 15 • Solid fat content in temperature: <ul style="list-style-type: none"> - 20°C: 34–42% - 30°C: ≤ 3 % <p>Quantity: 25,000 kg (+/- 100 kg)</p> <p>Additional information:</p> <ul style="list-style-type: none"> • The parameters of the raw materials offered must be in accordance with the technical specifications to be attached as an annex to the tender. • Following the resolution of the request for quotation and the conclusion of a contract with the selected Contractor, upon delivery of the raw material to the Plant, the Contracting Authority reserves the right to carry out a quality and quantity inspection of the delivered raw material.
<p>VII. Date and place of performance of the contract</p>	<ul style="list-style-type: none"> • Deadline for performance of the contract: The Contracting Authority requires that each part of the contract be performed by May 29, 2026. A detailed delivery schedule will be agreed with the selected Contractor. <p>1. Place of performance of the contract:</p> <ul style="list-style-type: none"> • delivery to the Contracting Authority's premises in Korszach:

	<p>Korsze, 9 Raławicka Street</p> <p>2. The cost of delivering the order to the location specified in point 2 shall be borne by the Contractor.</p>
<p>VIII. Description of the conditions for participation in the procedure and description of the method for assessing compliance with these conditions</p>	<p>1. Contractors who meet the following conditions may apply for the contract:</p> <ul style="list-style-type: none"> a) are capable of performing the contract in accordance with the conditions described in the Request for Proposals and the annexes, b) are not excluded from the procedure under separate regulations and meet the requirements set out in the declarations contained in the individual annexes (Annexes 1, 2, 3, 4, 6, 7), c) meet the other requirements set out in the tender procedure rules constituting Annex 8 to this Request for Quotation.
<p>IX. List of documents/declarations required from the Contractor</p>	<p>1. In order to demonstrate compliance with the conditions for participation in the procedure and to demonstrate that there are no grounds for exclusion from the procedure, the Contractor is required to submit the following documents:</p> <ul style="list-style-type: none"> a) a completed and signed tender form, constituting Annex 1 to the request for quotation, b) a completed and signed declaration of compliance with the conditions for participation in the procedure, a template of which is set out in Annex 2 to the request for quotation c) a completed and signed declaration of no capital or personal links with the Contracting Authority, a template of which is set out in Annex 3 to the request for quotation, d) a statement by the Contractor regarding membership of a capital group within the meaning of the Act of 16 February 2007 on the Protection of Competition and Consumers (Journal of Laws of 2023, 1616, as amended), a template of which is provided in Appendix 4 to the Request for Quotation, e) a declaration regarding sanctions, a template of which is provided in Appendix 6 to the request for quotation, f) a statement by the Contractor regarding the environmental management system, a template of which is provided in Appendix 7 to the request for quotation (if applicable), g) a certificate regarding the implemented environmental management system (if applicable), h) technical specification of the raw material offered, i) a current extract from the relevant register or from the Central Register and Information on Economic Activity (or information equivalent to a current extract from the relevant register or from the Central Register and Information on Economic Activity), where separate provisions require entry in the register or records, issued no earlier than 6 months prior to the deadline for submission of tenders. The above provision shall not apply where the Contracting Authority is able to verify the entry in the relevant register or record on the basis of a record or other register to which the Contracting Authority has electronic access, j) power of attorney (if applicable). <p>2. The required documents should be submitted in the form of originals or copies. In the case of electronic submission, scans of the original documents are permitted.</p>

	<ol style="list-style-type: none"> 3. The Contracting Authority reserves the right to request that the Contractor submit the original documents or certified copies thereof prior to the signing of the contract. 4. If the Contractor has its registered office or place of residence outside the territory of the Republic of Poland, instead of a current extract from the relevant register or from the Central Register and Information on Economic Activity (or information equivalent to a current extract from the relevant register or from the Central Register and Information on Economic Activity), it shall submit a document or documents, issued in the country where the Contractor has its registered office or place of residence, confirming that no winding-up proceedings have been initiated against it and that it has not been declared bankrupt, issued no earlier than 6 months prior to the deadline for submission of tenders. The document must be translated into Polish. If such documents are not issued in the place of residence of the person or in the country where the Contractor has its registered office or place of residence, they shall be replaced by a document containing a declaration, which also specifies the persons authorised to represent the Contractor, made before the competent judicial, administrative authority or a professional or trade association of the country of the person's place of residence or the country in which the Contractor has its registered office or place of residence, or before a notary public, issued no earlier than 6 months prior to the deadline for submission of tenders. The document must be translated into Polish. 5. In the case of Contractors jointly applying for the contract, copies of documents relating to the Contractor or those entities, as applicable, shall be certified as true copies by persons authorised to represent those entities or by a jointly appointed representative referred to in point 6 below. 6. If Contractors are applying jointly for the contract, they shall appoint a representative to represent them in the procedure or to represent them in the procedure and to conclude the contract. The relevant power of attorney must be attached to the tender. 7. The assessment of whether the Contractor meets the conditions for participation in the procedure will be carried out using the 'meets' or 'does not meet' method, based on the information provided in the documents. 8. If the authority to represent the person signing the tender is not apparent from the attached documents or legal provisions, the tender must also be accompanied by the power of attorney in the original or in the form of a copy certified as a true copy of the original. 9. Entities acting jointly shall be jointly and severally liable for non-performance or improper performance of the obligation. 10. In the event that a tender from Contractors acting jointly is selected, the Contracting Authority shall, prior to signing the contract with the Contractor, require an agreement governing the cooperation of the entities acting jointly, which shall include a commitment by those entities to be jointly and severally liable for non-performance or improper performance of the contract.
<p>X. Criteria for the evaluation of tenders</p>	<p>Bids will be evaluated on the basis of the following criteria:</p> <ol style="list-style-type: none"> 1. Price 80%

	<p>The score for this criterion will be calculated using the following formula: $C = (n/b) \times \text{weight}$ (weight = 100 points) where: C – the number of points awarded for the price criterion for the tender under consideration (rounded to one decimal place); n – the lowest price among the tenders under consideration; b – the price of the bid under consideration.</p> <p>The highest maximum number of points will be awarded to the tender submitted by the contractor who proposes the lowest price.</p> <p>2. Environmental management system 20% The contractor will receive 20 points if they have an environmental management system in place. If no such system is in place – 0 points.</p> <p>The assessment will be based on the contractor’s declaration included in the tender and the submission of the relevant certificate confirming the implementation of an environmental management system.</p>
<p>XI. How to prepare the tender and what it must contain</p>	<p>The tender should be prepared in accordance with the following rules:</p> <ol style="list-style-type: none"> a) The content of the tender must correspond to the content of the invitation to tender. b) The tender should be typed, computer-printed or written in indelible ink. It is advisable for the tender to be prepared in such a way as to prevent it from being tampered with. c) The tender must be drawn up in Polish or English. d) The tender must be signed by a person authorised to sign the tender, and the pages of the tender should be numbered. e) Any amendments to the tender must be initialled by the person authorised to sign the tender. f) The Contractor may submit only one tender, in which only one final price must be offered. The price must include all the Contractor’s costs and fees associated with the performance of the contract. g) The tender must be accompanied by a document authorising the person signing the tender to represent the Contractor, if the authority to represent is not evident from the registration document attached to the tender. h) The tender submitted must be complete, i.e. it must contain all elements necessary to fulfil the subject of the contract in a comprehensive and usable manner. i) In the case of tenders submitted by email, the Contractor is required to send a scan of the legibly signed tender form and attachments. j) The Contracting Authority reserves the right to request that the Contractor submit original documents or certified copies thereof prior to signing the contract. k) The Contracting Authority provides for the possibility of signing the tender with a trusted signature, a handwritten signature or a qualified electronic signature in accordance with the provisions of Regulation (EU) (EU) No 910/2014 of 23 July 2014 on electronic identification and trust services for electronic transactions in the internal market and repealing

	<p>Directive 1999/93/EC, and the Act of 5 September 2016 on services (Journal of Laws of 2021, item 1797)</p> <p>l) The paper version of the tender must be delivered in opaque, sealed packaging that prevents the contents from being read without damaging the packaging. The tender should bear the following note:</p> <p style="text-align: center;"><i>Tender for the selection of a Contractor for the contract entitled “Supply of raw materials for R&D work”</i> <i>Do not open until 12:00 on April 30, 2026</i></p> <p>The envelope must bear, in the form of a company stamp or handwritten inscription, the Contractor’s name and address in accordance with the registration (record) details.</p> <p>m) The Contractor shall bear all costs associated with the preparation and submission of the tender.</p> <p>n) The tender must contain the following elements:</p> <ol style="list-style-type: none"> a) The Contractor’s name and address. b) The date of preparation of the tender. c) A reference to the bid evaluation criteria set out in the request for proposals. d) Net and gross unit price. e) All required documents listed in point IX of this request for quotation. f) Contact details (first name, surname, telephone number, email address). g) Signature of the person authorised to submit the tender. <p>The absence of any of the above elements may result in the bid being rejected. The contracting authority permits the tender to be supplemented following a prior request for supplementation.</p>
<p>XII. Method of calculating the price</p>	<ol style="list-style-type: none"> 1. The price must include all the Contractor’s costs and fees associated with the performance of the contract. 2. The Contractor shall quote the price in Polish zlotys/euros (to be converted at the average exchange rate of the National Bank of Poland on the date of opening of tenders). The Contractor shall quote the net and gross price, including value added tax at the rate required by law. The Contractor is required to quote prices to two decimal places. 3. Foreign Contractors who, under separate regulations, are not required to pay VAT in Poland shall state only the net price. For the purposes of comparing tenders, the Contracting Authority shall add to the net tender price of foreign Contractors the amount of VAT due (incurred by the Contracting Authority in connection with the performance of the contract), which the Contracting Authority shall be obliged to pay to the relevant tax office.
<p>XIII. Amendments and withdrawal of tenders</p>	<ol style="list-style-type: none"> 1. A Contractor may, before the deadline for submission of tenders, amend or withdraw a tender, subject to the following rules: <ol style="list-style-type: none"> a) Amendments to the content of the tender should be sent to the address in accordance with the method of preparing the tender and the elements it must contain, as described above. b) If the amended tender is submitted in paper form, the envelope in which the amended tender is enclosed must bear the inscription

	<p>“AMENDMENT TO THE TENDER – <i>Tender for the selection of a Contractor for the contract entitled ‘Supply of raw materials for the purposes of R&D work’</i>”.</p> <p>c) In the event of a further amendment to the tender, the appropriate serial number of the amendment must be provided after the inscription “AMENDMENT TO THE TENDER”.</p> <p>d) A bid may be withdrawn upon written notification by the Contractor.</p> <p>e) The notification should bear the heading <i>WITHDRAWAL OF TENDER - Tender for the selection of a Contractor for the contract entitled “Supply of raw materials for the purposes of R&D work”</i></p> <p>f) Statements sent by email should include the following in the subject line: “AMENDMENT”, “WITHDRAWAL”.</p>
<p>XIV. Information on the method, place and deadline for submitting tenders</p>	<p>1. Bids may be submitted:</p> <ul style="list-style-type: none"> • in paper form, to be submitted in person, by post or by courier to the following address: NUTRITECH1/0038/2022, 10 Chopina Street, 34-100 Wadowice • in electronic form, to be sent to the following email address: s.matusiak@maspex.com <p>2. The bid validity period is 60 days. The first day of the bid validity period is the date of the opening of bids.</p>
<p>XVI. Confidentiality clause</p>	<p>1. Any information relating to the contract contained in this request for proposals which has not been made public, as well as any legal, organisational, commercial, technological and technical information concerning the Contracting Authority or the contract, not made public, which a tenderer obtains in connection with their participation in the procurement procedure, constitutes the Contracting Authority’s trade secret and may not be disclosed by tenderers or passed on to third parties without the Contracting Authority’s consent. The confidential information described above may be used solely for the purpose of preparing a tender and participating in the procurement procedure.</p> <p>2. The Contractor has the right to reserve the confidentiality of information constituting its trade secrets within the meaning of the provisions on combating unfair competition. Documents constituting the Contractor’s trade secrets must be marked in a manner clearly indicating the intention to keep them confidential. It is advisable to separate documents containing confidential information. Failure to make such a reservation shall be treated as consent to the disclosure of the entire content of the tender.</p>
<p>XVII. Exclusions from the procedure</p>	<p>1. The Contracting Authority may not award the contract to Contractors with whom it has personal or capital ties. A Contractor shall be deemed to be an entity:</p> <p>a) which is affiliated with, or is a subsidiary, jointly controlled entity or par-</p>

	<p>ent company of the Contracting Authority within the meaning of the Accounting Act of 29 September 1994;</p> <ul style="list-style-type: none"> b) being an entity in such a factual or legal relationship with the Contracting Authority or members of its bodies that may give rise to reasonable doubts as to impartiality in the selection of a supplier of goods or services, in particular being married, related by blood or affinity up to and including the second degree, by adoption, guardianship or trusteeship, including through membership of the bodies of the supplier of goods or services; c) being an affiliated entity or a partner entity in relation to the Contracting Authority within the meaning of Regulation No 651/2014; d) being a person personally related to the Contracting Authority within the meaning of Article 32(2) of the Act of 11 March 2004 on Value Added Tax. <p>2. Pursuant to Article 7 of the Act of 13 April 2022 on special measures to counteract support for aggression against Ukraine and to safeguard national security (Journal of Laws of 2022, item 835), the following shall be excluded from the procedure:</p> <ul style="list-style-type: none"> a) a contractor or tenderer listed in the lists specified in Regulation 765/2006 and Regulation 269/2014, or included on any sanctions list pursuant to a decision on inclusion on the list determining the application of the measure of exclusion from public procurement procedures; b) a contractor or tenderer whose beneficial owner, within the meaning of the Act of 1 March 2018 on countering money laundering and terrorist financing, is a person listed in the lists specified in Regulation 765/2006 and Regulation 269/2014, or who has been included on the list or has been such a beneficial owner since 24 February 2022, provided that they were included on the list pursuant to a decision on inclusion on the list determining the application of a measure in the form of exclusion from public procurement procedures; c) a contractor or a tenderer whose parent undertaking, within the meaning of Article 3(1)(37) of the Accounting Act of 29 September 1994, is an entity listed in the registers specified in Regulation 765/2006 and Regulation 269/2014, or which is entered on the list or has been such a parent undertaking since 24 February 2022, provided that it was entered on the list pursuant to a decision on entry to the list determining the application of a measure in the form of exclusion from public procurement procedures.
<p>XVIII. Data Controller</p>	<ul style="list-style-type: none"> 1. The controller of your personal data is MASPEX FOOD Sp. z o.o., 34-100 Wadowice, 10 Chopina Street NIP: 5512640426, REGON: 383486106, KRS: 0000788644. 2. You can contact the Data Controller via the following email address: iod-ProjektyUnijne@maspex.com 3. Your personal data is processed, amongst other things, for the purpose of conducting the procurement procedure covered by this request for quotation. 4. The full text of the information obligation regarding the processing of your personal data and the personal data of persons whose personal data is or will be provided by you to the Data Controller is set out in Annex 5 to this request

	for quotation.
XIX. Amendment clause	<ol style="list-style-type: none"> 1. The Contracting Authority reserves the right to make substantial amendments to the provisions of the concluded contract in relation to the content of the tender on the basis of which the Contractor was selected. The Contracting Authority reserves the right to make substantial amendments to the contract, in particular: <ol style="list-style-type: none"> a) with regard to the contract performance deadline (or the ‘contract implementation schedule’) in the event of: (i) the occurrence of force majeure, which is deemed to be extraordinary events occurring after the conclusion of the contract, which the parties were unable to foresee at the time of its conclusion and the occurrence or effects of which prevent the performance of the subject matter of the contract within the deadline, (ii) actions by third parties preventing the performance of the subject matter of the contract, which are not the result of fault on the part of either party, (iii) reasonable changes to the manner of performance of the subject matter of the contract, provided such changes are beneficial to the Client (iv) the occurrence of any other events affecting the performance of the contract, in particular (without limitation) in relation to the selection of the Project for co-financing and the award of support; b) in the event of changes to generally applicable legal provisions to the extent that they affect the performance of the contract. 2. The Contracting Authority also provides for the possibility of making minor amendments to the provisions of the concluded contract in relation to the content of the tender on the basis of which the Contractor was selected. 3. Amendments to the contract shall be made in the form of an annex signed by both parties, and their introduction is subject to the Contracting Authority’s approval.
XX. Minimum terms of the contract concluded with the selected Contractor	<ol style="list-style-type: none"> 1. The Contractor warrants and guarantees that the raw material supplied will be safe for life and health and will meet generally applicable quality requirements and standards for the raw material in accordance with national and European Union law, as well as the quality requirements specified by the Contracting Authority, and that it is free from any defects, in particular legal and physical defects, and that it shall perform its obligations under the contract with due professional skill and care, and in a proper, lawful, efficient and economically sound manner, in accordance with best industry practice, and shall ensure the proper and reliable performance of this contract by allocating sufficient resources and appropriately trained, experienced and qualified personnel. 2. The Contractor guarantees that the raw material sold will possess the required certificates and approvals. 3. If a delay in delivery is anticipated, the Contractor undertakes to notify the Client immediately, stating the reason and the expected duration of the delay. 4. Quantitative and qualitative acceptance of the raw material shall take place at the Ordering Party’s premises in Korszach. Acceptance shall be carried out by a representative of the Ordering Party in the presence of a representative of the Contractor, based on a dispatch specification containing the infor-

	<p>mation necessary for the unambiguous identification of the raw material, including its quantity.</p> <ol style="list-style-type: none"> 5. Defects in the delivered raw material shall be reported within 10 working days of their discovery. 6. The Ordering Party reserves the right to amend the contract in the event of a change in generally applicable legal provisions to the extent that such changes have an impact on the performance of the subject matter of the contract. 7. The Contracting Authority reserves the right to amend the contract in the event of circumstances caused by external factors, e.g. the order completion date or payment terms. 8. Contract completion date: as per the request for quotation. 9. The terms of payment shall be specified in the contract. 10. Payment of the price specified in the contract shall settle all claims of the Contractor against the Contracting Authority. 11. Contractual penalties and the rules for their calculation shall be set out in the contract concluded with the selected Contractor. 12. The Contractor is not authorised to assign any rights or obligations covered by the contract without the prior written consent of the Client. 13. The Contractor undertakes to keep confidential and not to disclose to third parties any findings, materials, documents, measurements, tests, works, technologies used or other activities carried out within the framework of the cooperation between the Contractor and the Client. All information, materials and data received are confidential and may only be used for purposes related to the performance of this contract or contracts concluded between the Contractor and the Client for the purpose of implementing the Project and in a manner consistent with their provisions. 14. In the event of any breach by the Contractor of the obligations arising from the duty of confidentiality referred to in paragraph 13 above, the Contractor shall pay the Client a contractual penalty in the amount specified in the contract. Payment of the above contractual penalty shall not preclude the right of a Party to claim damages on general terms. 15. The circumstances in which withdrawal from the contract is possible shall be governed by the contract concluded with the selected Contractor. 16. A notice of withdrawal, termination or amendment to the contract must be in writing, failing which it shall be null and void. 17. The contract shall be governed by Polish law.
<p>XXI. Additional information</p>	<ol style="list-style-type: none"> 1. The Contracting Authority reserves the right to award the Contractor additional contracts, not covered by the Subject Matter of the main Contract, in an amount not exceeding 50% of the value of the Subject Matter of the main Contract, necessary for its proper performance and resulting, inter alia, from: <ul style="list-style-type: none"> - for technical or economic reasons, separating the additional contract from the Subject Matter of the main contract would entail disproportionately high costs, - the performance of the Subject Matter of the main contract is dependent on the performance of the additional contract. 2. The Contracting Authority reserves the right to award the Contractor a supplementary contract (in accordance with the description of the subject matter of the main contract) in an amount not exceeding 50% of the value of the

	<p>main contract specified in the agreement concluded with the Contractor.</p> <p>3. The selected Contractor is obliged to contact the Contracting Authority within 5 working days of being notified of the selection of their tender, in order to agree on all matters necessary for the conclusion of the contract.</p> <p>4. The Contracting Authority may:</p> <ol style="list-style-type: none"> a) changes to the content of the advertisement, b) cancellation of the notice without giving a reason, c) cancellation of the tender procedure in justified circumstances.
